Umesh Pal Singh

Professional developer with overall 14 years of hands-on experience in building, implementing, and developing applications and web-based projects using various technologies and programming languages. Out of my total experience, I have been working with HTML and CSS for the last 14 years, graphic design for 4 years, and React and Next.js with headless architecture for the last 3 years. I am currently seeking a challenging role as a Lead Frontend Developer to leverage my expertise in React and Next.js and to contribute to innovative projects and team success.
